### **NORTHBOUND SH 121 AND SH 360 TO WESTBOUND SH 114 BRIDGES OPENING** NorthGate Constructors to open two new direct connectors

**GRAPEVINE (November 16, 2017)** — NorthGate Constructors will open two new direct connectors this weekend on the SH 121/360 interchange project. The new bridges will take northbound SH 121 and northbound SH 360 traffic to westbound SH 114, allowing for a smoother transition between the highways. Below are the lane closures needed to complete this work:

1. **Closure: Northbound SH 360 at Euless-Grapevine Road**  
**Dates:** 8 PM on 11/17 to 6 AM on 11/20  
**Detour:** Traffic will be detoured to the frontage road.
2. **Closure: Northbound SH 121 at Hall-Johnson Road**  
**Dates:** 8 PM on 11/17 to 6 AM on 11/20  
**Detour:** Traffic will be detoured to the frontage road.
3. **Closure: Northbound SH 121 off-ramp to William D. Tate Avenue**  
**Dates:** 8 PM on 11/17 to 6 AM on 11/20  
**Detour:** Traffic will be detoured to Stone Myers Parkway.

At the same time, the northbound SH 121 exit ramp to William D. Tate Avenue will be moved into a temporary configuration. Due to these changes, NorthGate is asking everyone to drive safely by following updated signage for the new traffic patterns. Drivers should plan accordingly this weekend and add extra time to their commute. All construction work is dependent on weather conditions.

The \$61 million SH 121/360 Interchange project will add new direct connectors for SH 114, SH 121 and SH 360 that will minimize weaving, reduce congestion and improve safety in the area. The improvements were included in the original \$1.6 billion DFW Connector project, but funds were not available at that time to deliver the entire scope. These improvements are now funded as part of the Texas Department of Transportation's Texas Clear Lanes initiative, which aims at improving congested corridors across the state.
