EASTBOUND SH 114 RAMP TO SH 360 CLOSURE NorthGate Constructors to close ramp to complete paving work

GRAPEVINE (March 15, 2018) — NorthGate Constructors will close the eastbound SH 114 off-ramp to southbound SH 360 starting Friday, 3/16 for approximately two months. This closure will allow crews to complete paving work located near the end of the bridge. The eastbound SH 114 off-ramp to southbound SH 121 will be unaffected.

Additionally, crews will open the new southbound SH 121 off-ramp to SH 360 during the same weekend. To accommodate all of this work, the following lane closures will be in place:

1. **Closure: Southbound SH 121 at westbound SH 114**
Dates: 8 PM on 3/16 to 6 AM on 3/19
Detour: [Click here for a detour to William D. Tate Ave.](#)
2. **Closure: Eastbound SH 114 off-ramp to southbound SH 121/360**
Dates: 8 PM on 3/16 to 6 AM on 3/19
Detour: [Click here for a detour to William D. Tate Ave.](#)

Drivers should plan accordingly this weekend and add extra time to their commute. Due to these changes, NorthGate is asking everyone to drive safely by following updated signage for the new traffic patterns. All construction work is dependent on weather conditions.

The \$61 million SH 121/360 Interchange project will add new direct connectors for SH 114, SH 121 and SH 360 that will minimize weaving, reduce congestion and improve safety in the area. The improvements were included in the original \$1.6 billion DFW Connector project, but funds were not available at that time to deliver the entire scope. These improvements are now funded as part of the Texas Department of Transportation's Texas Clear Lanes initiative, which aims at improving congested corridors across the state.

For information about construction of the DFW Connector, including all current and upcoming lane closures, visit dfwconnector.com, or call the toll-free hotline at 877-411-4212. The DFW Connector can also be found on Twitter ([@DFWConnector](#)) and Facebook ([DFW Connector Project](#)). For information about the Texas Clear Lanes initiative, visit www.texasclearlanes.com.
