### **NORTHBOUND SH 121 TO WILLIAM D. TATE AVENUE RAMP OPENING** NorthGate Constructors to open permanent ramp in Grapevine

**GRAPEVINE (APRIL 12, 2018)** — NorthGate Constructors will open the permanent northbound SH 121 off-ramp to William D. Tate Avenue this weekend, moving it back to its previous location. Additionally, this ramp opening puts all northbound SH 121 and SH 360 traffic into its final traffic configuration.

In order to complete this work, crews will have the following closures in place:

1. **Closure: Northbound SH 121 at Stone Myers Parkway**  
**Dates:** 8 PM on 4/13 to 6 AM on 4/16  
**Detour:** [Click here for a detour to the frontage road.](#)
2. **Closure: Northbound SH 360 at Stone Myers Parkway**  
**Dates:** 8 PM on 4/13 to 6 AM on 4/16  
**Detour:** [Click here for a detour to the frontage road.](#)

Drivers should plan accordingly this weekend and add extra time to their commute. Due to these changes, NorthGate is asking everyone to drive safely by following updated signage for the new traffic patterns. All construction work is dependent on weather conditions.

The \$61 million SH 121/360 Interchange project will add new direct connectors for SH 114, SH 121 and SH 360 that will minimize weaving, reduce congestion and improve safety in the area. The improvements were included in the original \$1.6 billion DFW Connector project, but funds were not available at that time to deliver the entire scope. These improvements are now funded as part of the Texas Department of Transportation's Texas Clear Lanes initiative, which aims at improving congested corridors across the state.
