TEXAN TRAIL BRIDGE CLOSED UNTIL FURTHER NOTICE Texan Trail Closed While Engineers Assess Integrity of the Bridge

GRAPEVINE (January 19, 2012) — Due to a third party incident involving Texan Trail bridge the following closures are in place for the safety of the traveling public:

1. Texan Trail bridge (north and southbound) will remain closed until further notice. Please use Main Street bridge as an alternate route.
2. Until 8PM tonight two right lanes will remain closed on eastbound SH 114 under Texan Trail bridge.
3. Starting at 8PM tonight there will be a full highway closure on northbound SH 121 and eastbound SH 114 west of Texan Trail. Traffic will be detoured to the eastbound SH 114/121 frontage road.

Structural engineers will assess the bridge integrity tonight, and we will send updates as they become available.

Although these closures are not related to the construction, they are necessary to ensure the safety of the traveling public. We recommend that drivers seek alternate routes on their commute home tonight. Structural engineers will assess the bridge integrity tonight, and we will send updates as they become available. *Expect delays during rush hour tonight.*

Media are advised to obtain footage from the westbound frontage road north of the bridge for their safety. Thank you for your compliance with this request.
